

4-H/FFA LIVESTOCK BUYER CONTACT FORM

I acknowledge that _____, representing the **Beaver Fair Youth Livestock Sale**, has contacted me about participating as a buyer at the sale. _____ said that this year's sale will be held at the **Beaver Community Fair** on **Thursday, September 23, 2010**, beginning at 7:00 PM.

He/She further explained that these market animals (steers, hogs, lambs, goats and/or rabbits) have been raised by Snyder County 4-H and FFA members and have been exhibited at the Beaver Community Fair.

I understand that the bid I place will be my actual cost. We also discussed the option of transporting the animal to a local butcher or the local livestock auction for resale which would return the sale profit of the animal to me, as well as the buy back option. I understand that arrangements for hauling to a local butcher of the Middleburg Livestock Auction will be taken care of by the Beaver Fair Youth Livestock Sale Committee.
