

2021 Beaver Community Fair Official Poultry Leg Band Record

Please read directions thoroughly before completing record:

- Exhibitor, a Certified Poultry Technician (CPT) or Category 2 Accredited Veterinarian, and parent or guardian must sign and complete leg band record at the time of blood testing and leg banding.
- In accordance to the 30-day rule, all blood testing & banding must be completed on the dates of August 30 – Sept 6, 2021.
- It is the responsibility of the exhibitor to schedule appropriate times with a CPT or Veterinarian. The CPT or Veterinarian will provide official PDA – issued crimp style or butt end style leg identification bands. If your CPT or Veterinarian has any question, please have them call the Poultry Superintendent.
- This record ***MUST*** accompany your birds upon check-in at the fair.
- Any record not completed, signed and brought to check-in, will deem bird's *ineligible* for competition.
- Please document PDA Band Number on the record below.

PDA Band Number
