

KIDDIE PEDAL POWER TRACTOR PULL

1. Register one hour prior to starting time.
2. Contest is open to youngsters from 3-10 years of age.
3. Boys and girls compete against each other by age.
4. Contestants must have an exhibitors number to enter, they can be obtained at the fair office.
5. The distance each contestant pulls the sled will be measured and recorded.
6. Weight is added to the sled as required to determine each category's winner.
7. The use of hands to assist in rolling the rear tires is prohibited.
8. All movement of the tractor must be forward by pedaling (leg power only).
9. Backing up and snatching of the sled is prohibited.
10. Contestants will be disqualified for removing feet from the pedals and touching the surface of the track.
11. The winner of each class is determined by the contestant who pulls the most weight the longest distance by pedaling the tractor.
12. A pull off will be held when two (2) or more contestants perform a full pull. Additional weight will be added to the transfer sled for the pull-off.
13. Judges decisions are final. Parents of contestants must register and sign a waiver of liability for each child who competes.
14. A standard size pedal tractor with two (2) drive wheels will be furnished.
15. The tractor will be hitched to a special weight transfer sled. The sled is equipped with a weight box to which weights are added as needed.
