

4-H/FFA LIVESTOCK BUYER CONTACT FORM

I acknowledge that, _____ representing the Beaver Fair Youth Livestock Sale, has contacted me about participating as a buyer at the sale.

He/She has said that this year's sale will be held at the Beaver Community Fair on Thursday, September 19, 2024 beginning at 6:30 PM.

He/She further explained that these market animals (steers, hogs, lambs, goats, poultry and/or rabbits) have been raised by Snyder County 4-H and FFA members and have been exhibited at the Beaver Community Fair.

I understand that the bid I place will be my actual cost. We also discussed the option of transporting the animal to a local butcher, as well as the buyback option. I understand that arrangements for hauling to a local butcher will be taken care of by the Beaver Fair Youth Livestock Sale Committee, and that I am responsible for contacting that butcher to make processing arrangements. I understand that due to Pennsylvania Department of Agriculture Regulations, swine and poultry can not be taken home by an individual.
